A CUP OF GOOD COFFEE
is the right start for the day's work. Our
H. & H. BLEND COFFEE
is roasted and packed daily and we have thousands of pleased customers, who say, it possesses a strength and aroma equalled in no other blend. Packed in air-tight cans, with a Movie Pennant in each, it is **REAL COFFEE VALUE** at 35c per pound, **without coupons or premiums—just coffee.**

HER NAME IS MINNIE

We also carry a superior line of high-grade Teas and Spices that are ground and packed according to our own ideas. Their strength and purity has oftentimes been commented upon.

To the person sending us the correct answer to our rebus, with the best article of not over 50 words, as to "Why H. & H. Blend Coffee is the Best Coffee Made," we will present with our compliments, 10 one-pound cans of H. & H. Blend Coffee.
