

ONE POUND

**H AND H**  
BLEND  
**COFFEE**

HOFFMANN-HAYMAN  
COFFEE CO.

It stands to reason that when you are offered premiums to induce you to buy coffee there must either be an added cost to the coffee or a cheapening of the quality.

Do you want real coffee or do you prefer premiums? No premiums with H. & H. coffee, but your money's worth of pure 100 per cent coffee.
