

*"We roast It  
others praise It"*

**A "Man's Sized" Drink—  
H and H Coffee**

The hard-working man, and the busy housewife, alike praise H and H Coffee. And no wonder—even the odor beckons to another delicious cup. The flavor irresistibly attracts lovers of good coffee.

When you are feeling fagged, or are under a mental strain—there is nothing quite so soothing or as quieting to the nerves as a cup of healthful H and H Coffee.

H and H Coffee is specially blended for body, strength and flavor in the cup. Try it. Buy it for the home; drink it at the restaurant. You'll praise it as the best coffee you have ever drunk.
