# H AND H Products earn the Praise of the Housewife Everywhere

## H and H Coffee

A high grade specially blended imported coffee packed in half-pound, pound and three-pound tins. Housewives have given preference to this blend for a quarter of a century.

HUGE H AND H ROASTERS

These two magnificent electro-driven Menger coffee roasters are the best made in coffee roasting construction. These two roasters enable the Hoffmann-Hayman Coffee Co. to properly roast a total of 30,000 pounds of coffee in a single day.

(Inserted Photo: Mr. John Green Sr., chief roaster and superintendent.) For more than seven years Mr. Green has been perfecting the H and H blend—that the housewives of Texas might enjoy a blended coffee of superior cup quality.

## Menger Peaberry Coffee

This high grade Peaberry Coffee is packed in one-pound paper-lined carton. Housewives demand this first quality Peaberry Coffee from their grocer.

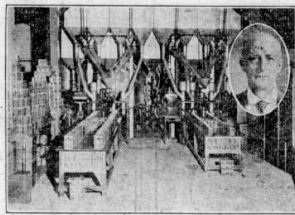

## Texco Coffee

Packed in one-pound double-lined bag—a popular priced coffee specially blended to meet with public demand and favor.

## Spoon Coffee

This paper-lined carton contains one pound of 100% pure coffee. A teaspoon as a premium is packed in each carton.

AUTOMATIC WEIGHER AND PACKER

This great modern automatic electric coffee weigher and packer permits the fresh roasted coffee to be accurately weighed and individually packed in half, one and three-pound cans attached by means of bands.

(Inserted Photo: Mr. William F. Fisher, factory representative, who came to San Antonio to personally install and place this great Menger machine into perfect operation.)

## H and H Cocoa

A soluble cocoa of superior quality, packed in 3 1/2-ounce and 8-ounce tins. Preferred by cocoa drinkers everywhere.

## H and H Spices

We pack and distribute to the grocer a full line of quality spices. Each spice packed in large and small size handy tins.

## H and H Tea

This special Orange Pekoe Tea, of the delicious flavor, is packed in handy round tins. It's the one tea that brings instant approval from the most consistent tea drinkers.

## H and H Extracts

We pack and distribute to the grocer a full line of extracts of assorted flavors. These extracts are of the highest quality and are preferred by the discriminating housewife.

## Broncho Coffee

This lithographed pail contains three pounds of good quality coffee with an imported cup and saucer with gold band design premium packed in each pail.

## Border Coffee

Three pounds of pure coffee and an imported cup and saucer as a premium is packed in a lithographed bucket, and is sold by grocers throughout the territory.
