

OCTOBER 29, 1926.

**The Quality of H AND H Blend Coffee  
is carefully guarded from the  
plantation to your table**

H and H... the coffee that makes every meal enjoyable! Delicious coffee that invigorates! Coffee with a rare flavor all its own! Coffee with a blend\* that's famous!

Serve it steaming hot at your very next meal. Lift it to your lips and taste its rich, full flavor. Then you will understand its unusual popularity. Then you will know why this is San Antonio's favorite coffee... and why it is praised by thousands daily.

Bush-ripened coffees... carefully selected... carefully guarded from the plantation to your table... are used in the roasting of H and H Blend\* Coffee.

Blended\* in our plant by skillful coffee roasters... so that the rich qualities of the finest beans are in each can.

No wonder you'll like it so much... it's delightfully invigorating these cool mornings.

Try this very day the tempting flavor of H and H Blend\* Coffee... it's a coffee you never tire of drinking.

**For All  
San Antonio**

\*Our 26 years' experience has enabled us to combine and proportion the various varieties of pure coffee with skill... then delicately roast them so that they will produce that body, that delicious flavor and aroma which is distinguished as H and H Blend Coffee.

*"We roast it,  
others praise it"*
