

# The Largest Coffee Plant in Southwest Texas Doubles Its Capacity

**A**LREADY the largest Coffee Plant in Southwest Texas, increased demand for H and H Blend and other popular quality brands of coffee forces us to again double our capacity.

San Antonio and Southwest Texas have grown amazingly. More and more housewives are using and praising H and H Blend Coffee. We must roast more of it. We must keep pace.

We wish to thank the Housewives, and Grocers of San Antonio and Texas for making necessary this addition to our present large and modern plant.
