S. A. COFFEE IS SHIPPED BY CARLOADS

Albuquerque, New Mexico, Grocers Make Big Coffee Order.

San Antonio's fame as a coffee roasting center is rapidly being spread and now it has been extended westward beyond the state into New Mexico.

The Hoffman Haymen Coffee company has just made a carload shipment of Sam Houston coffee to be distributed by the retail grocers of Albuquerque, N. M.

Sam Houston has been sold in that city for less than two months, but the demand for it has been so great that a shipment of a solid carload was necessary.

Each one pound can of Sam Houston coffee contains an attractive glass tumbler and each three pound can contains an attractive imported cup and saucer. Housewives are enabled to make attractive sets with the cups, saucers and glasses that are given as premiums in Sam Houston coffee.

This coffee is roasted by the Hoffman Hayman Coffee company in this city is handled by the leading grocers in San Antonio and other parts of the Southwest.
