New H & H 'Twin Offer'

W. B. Roberson, owner of American Family Grocery at 2617 N. Zarzamora St., shows Mrs. Edna Carpenter the new H and H "Twin Offer" deal on vacuum packed coffee, which is being featured throughout South Texas.

Two one-pound vacuum cans of H and H Coffee are being offered in a "twin" package banded together for a limited time only throughout Southwest Texas, according to G. P. Menger, president of Hoffmann-Hayman Coffee Co.

"We are making our "twin offer" on our H and H vacuum packed coffee to make new friends for this fine blend and to show our appreciation to the countless thousands of loyal users of H and H coffees throughout South Texas," Menger said. "Proof of the popularity of H and H blends was shown recently by a survey in which more than 5,000 women were asked to name their favorite brands of coffee. Six out of every ten women interviewed stated they preferred an H and H blend. Such overwhelming preference for H and H coffees is evidence, we feel, that our 40 years' experience in pleasing Texas' tastes has helped us to produce the correct blends which South Texas families really like."

Menger explained that the coffees used in roasting and blending H and H coffees are of the finest grades obtainable, imported direct from tropic mountain regions and roasted by the most modern and latest methods to bring out the full, rich flavor of each fine coffee bean. No other coffee roaster, he said, can offer a blend of coffee which is finer or choicer than those used in H and H coffees.

"To further show our appreciation for loyalty to H and H products," Menger said, "we are offering five special appreciation offers, including silk stockings, Cannon towels, hard aluminum sauce pans, self-sharpening shears and ice-tea spoons, described in the folders which are attached to every package of H and H Texas Girl and Sam Houston coffees.

ONE RUN, TWO FIRES

CANTON, Ohio, Dec. 15 (UP)—While waiting for a stop-light to change while returning from a fire, firemen here heard someone shout "Fire!" The men jumped off their trucks, extinguished a blaze in a nearby motorcycle shop and proceeded to their fire house.

Walnut Oatmeal Cookies

Four pounds butter, ½ teaspoons salt, ½ teaspoon soda, ¾ teaspoon cinnamon, ½ teaspoon cloves, ½ teaspoon allspice, 1 cup walnut meats chopped, 4 tablespoons shortening, 1 cup sugar, 1 egg well beaten, 5 tablespoons milk, 1¾ cups oatmeal, 1½ cups flour.

Cream the butter and shortening together and add the sugar gradually while beating constantly. Add the egg well beaten, the milk, oatmeal, chopped walnut meats, and the flour mixed and sifted with the salt, soda, cinnamon, cloves and allspice. Drop from tip of spoon on a buttered sheet 1 inch apart. Place a walnut meat half in center of each, and bake in a moderate oven for 15 minutes.

Here's more on the same theme but I guarantee that these squares won't last. They're eaten practically as soon as they come out of the pan.

New Way to Reduce Is Increasing in Popularity From Coast to Coast

With the winter holidays come parties, dinners and often too many rich, fattening foods—which means to many women, that you may put on unwanted weight whether you want to prevent this happening to you—or if you are already overweight and want to slim down to a youthful figure, the method of reducing popularized by lovely Irene Rich, star of stage, screen and radio, is hailed by many women as an unusually effective one.

Women approve this method because it is safe, sane, drugless. It's particularly fine for housewives because it is pleasant and easy, helps keep energy up, has no strict diet menus, no exercises.

Miss Rich—who is herself past 40 and still has the slim, girlish figure of 16—advocates the Welch Grape Juice way to reduce. This easy-to-follow method consists of drinking ¾ glass of Welch Grape Juice, mixed with ¼ glass plain water, before meals and at bedtime. If you will do this, and cut down the amount of calories you consume by eating sensibly and avoiding overeating, you will find it easy to lose weight, safely.

The makers of Welch's Grape Juice point out that two important factors contribute to the effectiveness of this method. First, drinking this delicious beverage before meals tends to curb the appetite for rich, fattening foods. And, second, the grape sugar content in Welch's Grape Juice is valuable in helping nature consume excess fat.

Hard-to-follow reducing plans that call for strict menus and calorie 'counting,' or difficult, strenuous exercises have discouraged so many women that they enthusiastically welcome this simple, easy method Miss Rich recommends.
