

Biard Lists Recent Sales

The Arthur E. Biard company, general real estate brokers in the Majestic building, report a tremendous demand and a large number of sales in all types of properties for the past few weeks.

The total sales ran well over \$200,000 and include homes, duplexes, apartments, business properties, and several small farms and ranches. This is in addition to their rental and loan business. The Biard company also made one interchange deal between Virginia and San Antonio; others are pending.
