The Way It Keeps
H AND H COFFEE
VACUUM-FRESH!

PROTECTS ITS RICH FLAVOR

THIS AMAZING NEW package is like a vacuum can—the way it keeps H and H roaster-fresh! Exclusive with H and H, this Flav-O-Tainer has an extra heavy inner seal — of special cellophane. After this package is filled automatically with freshly roasted, aromatic H and H Coffee—the cellophane lining is heat sealed, under vacuum methods. That's why this Flav-O-Tainer is air tight, water proof!

See for yourself how much better it is to get coffee that's vacuum-fresh! Ask your grocer for H and H Coffee—in the new Flav-O-Tainer package.

No More Vacuum Cans But "Flav-O-Tainer" Takes Their Place!

WHEN you use your precious coffee stamp —why not get the freshest coffee! Get H and H! Tastes richer. Goes farther—because it's kept vacuum fresh, always!
