**H AND H'S HEARTY FLAVOR
IS KEPT VACUUM-FRESH!**

THE WORLD'S RICHEST COFFEES are blended lavishly to give you H and H's delicious, hearty flavor. No other brand of coffee anywhere—uses rarer, richer coffees than H and H. But unlike some brands—H and H HAS CONTINUED TO USE these fine coffees. Yes, H and H has maintained one of the largest stocks of tropical grown coffees—the world's very choicest. And these coffees are roasted in one of America's most modern plants. Then they're kept VACUUM FRESH for you—by H and H's exclusive, patented Flav-O-Tainer. So join the thousands who have switched to H and H! Buy H and H Coffee today!
