

Too Hot for Coffee

Friction of hot coffee beans caused a coffee hopper to catch fire at the H. and H. Coffee company, 601 Delaware street, and cause \$75 damage, city firemen reported Saturday.

An electric iron, left on after hours, caused \$25 damage to a table at the DeLuxe Tailor shop, 206 Broadway.

Fire of undetermined origin caused \$250 damage to a garage and garage-apartment at the home of Dr. T. A. Pressly, 408 Mary Louise drive.
