

Mr. Gus P. Menger, Chairman of the Board—Dean of Coffee Roasters, and Mr. Albert G. Menger, President

GENERATION TO GENERATION . . .

. . . the fine art of Coffee Roasting continues at Master Chef. The careful selection of finest pure coffees from around the world; the unique blending of as many as seven different types of coffee for full flavor and aroma; the precise roasting for "locked-in" flavor . . . all these are yours in Master Chef Coffee.

Master Chef is selected, blended and roasted to bring you only finest 100% PURE coffee. And, you receive extra trading stamps, the stamps of your choice, with every pound of vacuum packed Master Chef you buy . . . Brew this perfect blend for family or friend and . . . The Master Chef is YOU.
